General Terms and Conditions Governing UCASH Management

1. I/We may from time to time have surplus funds with UOBKH which UOBKH would generally be obliged to hold pursuant to Regulation 16 of the Securities and Futures (Licensing and Conduct of Business) Regulations ("**SF(LCB)R**").
2. Without prejudice to and in addition to UOBKH's rights and powers including investment entitlement pursuant to Regulation 20 of the SF(LCB)R, I/we hereby confirm my/our standing request / authorisation for UOBKH to provide me/us with UCASH Management under which UOBKH shall have the absolute sole discretion to invest my/our free and available funds ("**Surplus Funds**") (whether such funds are held distinctly or on a commingled basis (with other clients who have opted in for UCASH) pursuant to UOBKH's entitlement to effect such commingling of customer's monies) on a discretionary basis in any bank deposits (including but not limited to current account deposits, savings account deposits and fixed deposits) (the "**Deposits**").
3. I/We understand that the Deposits will be held by UOBKH on a segregated basis on trust for me/us and that these Deposits will be automatically redeemed wholly or partially from UCASH for payment of any investment purchases or funds withdrawal request made by me/us or fees and charges due from me/us.
4. I/We confirm that I/we have sought independent legal and financial advice on this standing request / authorisation and that I/we have the legal capacity and authority to give this request / authorisation.
5. I/We acknowledge that such investment management is at your discretion to provide and you will have discretionary authority (including but not limited to the frequency, scope and methodology of rebalancing) to invest my/our Surplus Funds and this shall include the rights of UOBKH to decide on the appropriate actions or inactions with respect to the Deposits on my/our behalf. For the execution of such transactions, UOBKH has the discretion to deduct the relevant amount and related fees and charges (if any) from my/our account with UOBKH without any or further reference to me/us.

6. Where such investment management is effected and/or so long as the investment management is made in good faith with intent to preserve the principal and enhance returns on the Surplus Funds, UOBKH will not be liable whatsoever for any lack of capital appreciation arising from the investment management effected. I/We also accept the risk of any and all losses or shortfalls in any economic benefits, whether direct or indirect, resulting from UCASH Management. Notwithstanding the foregoing, the Surplus Funds invested by me/us in UCASH Management shall constitute "deposits" as defined in Section 4B of the Banking Act 1970 of Singapore and, subject to paragraph 12(c) below, UOBKH shall repay the full value of my/our principal.
7. I/We accept that whilst UOBKH will reasonably monitor my/our account with a view to determining whether to exercise the investment discretion UOBKH has been granted, UOBKH will exercise its discretion of appointment or acceptance of appointment herein only on the basis that UOBKH will not be liable whatsoever to me/us should the Surplus Funds not be regarded as appropriate for any purpose otherwise than placement in a trust account or if in fact invested they do not obtain the best possible returns or, for this matter, any returns.
8. I/We agree and accept that in any event the discretion I/we am/are hereby granting will only be considered for exercise in my/our favour if my/our Surplus Funds exceed the prevailing minimum amount (if any) stipulated by UOBKH from time to time.
9. I/We agree and accept that:
 - (a) UOBKH reserves the right to levy an administrative and/or handling fee for offering UCASH Management; and
 - (b) the applicable administrative and/or handling fee payable by me/us to UOBKH shall be determined by UOBKH in its sole and absolute discretion, and may be varied, tiered or otherwise adjusted by UOBKH from time to time.
10. I/We agree and confirm that the terms and conditions set out in the Master Trading Agreement as posted on your website and the other account documentation previously executed by me/us (as may be amended or updated from time to time), including but not limited to the provisions of the Customer Account Review / Customer Knowledge Assessment, Risk Disclosure Statement, Guide and Cautionary Notes – Trading Account with UOB Kay Hian Private Limited (where relevant) and Account Application form, shall continue to apply without limitation or modification to me/us in relation to our dealings with UOBKH. In the event of any inconsistency between any of the aforementioned documents and this Opt-In Authorisation Form, the terms and conditions of this Opt-In Authorisation Form shall prevail.
11. I/We agree and confirm that the terms and conditions of this Opt-In Authorisation Form may be amended, varied or supplemented by UOBKH at its discretion by not less than 4 business days' prior notice to me/us by electronic mail, post or any means as UOBKH may deem fit, including by publication of the same at UOBKH's offices and/or posting on UOBKH's website.

Additional Terms and Conditions for UCASH-EN

12. I/We understand and acknowledge that:
 - (a) UCASH-EN may be offered for USD ("UCASH-EN (USD)"), SGD ("UCASH-EN (SGD)") and/or such other currencies as UOBKH deems fit from time to time. Each of the initial and subsequent placements of my/our Surplus Funds in UCASH-EN is subject to such minimum sum as UOBKH may specify from time to time, and the prevailing minimum sum for each such placement of my/our Surplus Funds in UCASH-EN (USD) is US\$10,000 while the prevailing minimum sum for each such placement of my/our Surplus Funds in UCASH-EN (SGD) is S\$10,000 (in each case, unless otherwise specified by UOBKH from time to time). Unless my/our trading representative receives instructions or orders for UCASH-EN, UOBKH will take it that my/our Surplus Funds are only available for investment in Deposits under UCASH for the time being; and
 - (b) any Surplus Funds invested under UCASH-EN will be automatically rolled over and remain in UCASH-EN until and unless I/we instruct my/our trading representative otherwise.

UCASH Management Risk Disclosure

13. With regard to investing my/our Surplus Funds in the Deposits, I/we understand and acknowledge the investment risks associated with such investments, including but not limited to the following (as the case may be):
 - (a) there can be no assurance that any Deposit will be able to meet my/our objectives;
 - (b) past performance of these Deposits is not necessarily an indicative of future performance;
 - (c) the transaction or investment is linked to UOBKH's credit, and the deterioration of UOBKH's credit may result in the loss of my/our principal amount;
 - (d) exposure to exchange rate risks. I/We may be exposed to exchange rate risks where the Deposit is denominated in a foreign currency; and
 - (e) interest rate fluctuations. Fluctuations in interest rates may affect the attractiveness of returns on a Deposit compared to other investment options.
